REQUEST FOR SUPPORT FROM THE U.S. WORLD WAR ONE CENTENNIAL COMMISSION

Dear Applicant,

We appreciate your interest in working with the U.S. World War I Centennial Commission (WWICC). To make sure we serve you best we will need some information about your project and how you would like to work with the WWICC. All requests are subject to approval by the WWICC.

World War One Centennial Commission Mission Statement

The U.S. World War One Centennial Commission was created by an Act of Congress in January 2013. Members of the 12-member Commission were appointed by the President and the leaders of the Senate and the House of Representatives, as well as the American Legion, the Veterans of Foreign Wars, and the National World War I Museum. The Commission's mission is to plan, develop, and execute programs, projects and activities to commemorate the Centennial of World War I (WWI). Over the next five years the Commission intends to:

- Develop educational programs targeted at a variety of audiences and delivered through a variety of broadcast, print and digital media, with the goal of increasing awareness and informing Americans about the country's most forgotten war.
- Organize activities, events, and symposia to commemorate American involvement in the Great War.
- Establish a National World War I Memorial in Washington DC, and bring attention to the thousands of World War I memorials in communities across the country that honor Americans who served in the war.
- Serve as a clearinghouse for the collection and dissemination of information about events and activities related to the Centennial Commemoration.
